METHODISTS CANCEL DEBT OF LONG STANDING ON THEIR CHURCH

Exercises Were Of Interesting and Impressive Character

DR. WESTFALL DELIVERS SERMON

The exercises incidental to the burning of the mortgage at the First Methodist Episcopal church of Charleroi were of the most interesting character, and were attended by a congregation which filled the auditorium to capacity.

Rev. G. A. Allison, the pastor, had prepared a splendid program for the occasion, opening with "America," followed by prayer and special music, while the scripture lesson was the 96th Psalm. After the announcements and special music, the sermon was delivered by the Rev. Daniel Westfall, of the Pittsburg Christian Advocate, which was a discourse of more than usual interest. Following prayer T. H. Warrensford read a brief history of the church, after which, assisted by W. H. Goehring, the mortgage was destroyed by burning. When it had finally disappeared in smoke the last vestige of the debt which the church had carried for so many years was wiped out. During the service Warren Kinder rendered two splendid vocal solos, both of which were highly appreciated by the congregation.

At the evening service it had been hoped to have a number of former pastors present, but only one, Rev. A. M. Doak, was there. A letter was read from Rev. C. A. Hartung, now of Johnstown, saying that owing to preparing for Conference it would be impossible for him to be present. Addresses were made by Rev Doak, by the pastor and by Rev. John Martin, and the day's services, which will be memorable in the history of the church, were brought to a close with the doxology and the benediction.

HOME FROM SERVICE IN U. S. MARINES

Charles D. Pollock, son of Mr. and Mrs. W. D. Pollock, arrived home Thursday night last, after being discharged from the service of the United States Marines. Mr. Pollock enlisted in the Marines in Pittsburg, July 8, 1917, and from there he was sent to Paris Island, S. C., where he trained for about two months. Then he was attached to the 52nd Company of the Third Marines, and sent to Santo Domingo, where he served for a period of twenty-four months. During that time he was in a number of engagements with bandits and pirates in the West Indies, but escaped without being wounded. He returned to Philadelphia on the transport Hanuock on the 3rd of September, and was mustered out of the service on the 10th of September at the Philadelphia Navy Yard.

CELEBRATED HER SEVENTY FIRST BIRTHDAY

Mrs. L. R. Walters celebrated her 71st birthday at her home, corner of Second street and Fallowfield avenue last night. In her honor a birthday supper was given to which her sons and daughters and a few near relatives were invited. Those present were Mr. and Mrs. L. R. Walters, Mr. and Mrs. E. B. Walters and son Llewellyn, Mr. and Mrs. W. C. Walters and son Emerson, Miss C. B. Sisley and Miss Samantha Sisley of Fayette City.

POSTOFFICE ENDS AT GIBSONTON

Many years ago, through the efforts of Capt. T. L. Daly, then superintendent of the Gibson distillery, a postoffice was established at that place called Gibsonton. The office was for the convenience of the distilling company and its employes, and the appointment of a postmaster there never caused the government any worry or the Congressman any sleepless nights. Through Capt. Daly the office had special delivery, the mail being delivered twice a day.

With the closing down of the large plant the need for the postoffice passed, and for this reason the office was discontinued on Monday, the 15th. For the present all mail for Gibsonton will be sent to Belle Vernon. Formerly when the mail for the distillery was sent to Belle Vernon it was dispatched to its destination by a special messenger furnished by the Gibsons.

Open Office in Charleroi

The Glass Casket Corporation of Altoona, Pa., have opened a branch office at 520 Fallowfield Avenue. They have had an office at Monessen for some few weeks.

The Monongahela Valley Ministerial Association met in the Christian church of Belle Vernon today. A sermon was delivered and a paper presented.

Many Delegates Are Attending Convention

The 56th annual convention of the Western Pennsylvania Christian Missionary Society and Christian Woman's Board of Missions was convened last night in the First Christian church, West Wheeling street. Over one hundred out-of-town delegates had registered at the close of last night's session and more are expected to arrive today. The convention will be in session until Wednesday afternoon. The territory represented by the convention includes that portion of Pennsylvania lying west of the Allegheny mountains. Out-of-town delegates are being entertained in the homes of the members of the First and Second churches.

The opening meeting last night was presided over by Rev. J. C. Burkhardt, pastor of the convention church, and the music was directed by Rev. E. A. Cole, pastor of the Second church.

The devotional period was in charge of Rev. F. D. Kershner, associate editor of the Christian Standard, Cincinnati, Ohio, who will have charge of this hour during the entire meeting. The first address was by Rev. G. W. Buckner, of Connellsville, who spoke on "Developing Spiritual Power in the Church." Among the things emphasized was the circulation of devotional literature and the denominational periodicals.

SEEKS DAMAGES FOR INJURIES

John E. Hodgson and Claudina E. Hodgson, his wife of New Eagle, have brought suit against Ernest Barbara, alias Ernesto Barbero, of Monongahela, to recover $1,500 damages for personal injuries alleged to have been sustained by Mrs. Hodgson when a buggy in which she was riding was struck by an automobile belonging to the defendant. A special capias and allocatur were issued and bail set at $1,000.

The statement of ulaim sets forth that on February 10, 1919, Mrs. Hodgson was riding in a buggy with her baby daughter, with her aunt, Mrs. Catherine K. Mountain, who was driving. They were driving along the road from Monongahela to Courtney, and when they reached a culvert near the New Eagle school building the truck of the defendant came up from behind and struck the buggy. Mrs. Hodgson was thrown over one wheel, where she was found hanging, and her baby was later found under the buggy. Mrs. Hodgson avers that she was seriously injured and asks for $1,000 damages. The husband seeks to recover $500 for the loss of time and doctor bills.

"MARY REGAN" SCORES BIG HIT AT COYLE

Anita Stewart the well known star was featured in "Mary Regan" which was shown at the Coyle theatre Monday and which is being repeated today. The story is an appealing one of a young girl trying to live down the criminal record of her father. Miss Ethel Barth sang at each performance.

BUSINESS SHOWS WONDERFUL GROWTH

The Schroeder Piano company, whose display rooms are on Fifth street, in the Stahlman building, have recently entered upon their fourth year in business in Charleroi.

When the venture was first inaugurated in this community they occupied a room on McKean avenue in which the Sable market is now located, but these quarters becoming too small, it was necessary to secure more commodious rooms. A fine store room was then secured in the Stahlman building on Fifth street, but after occupying it for about a year it was necessary to expand on account of increasing business. They were able to secure all of the first floor of the Stahlman building and now have one of the finest music display rooms in Western Pennsylvania.

They have sold over 300 pianos during their career in this community, and can say that every one of their customers are absolutely satisfied. They carry an average stock of 50 to 75 pianos and player pianos, also Grands, consisting of 8 to 10 different makes with the famous Kurtzman piano as the leader.

Being able to buy and sell so many pianos in a large way the company is in a position to save its customers from $50 to $150 on each instrument, which is certainly a consideration to any one who contemplates buying a musical instrument of this kind. We extend a cordial invitation to the public to call at our rooms and inspect our display. Schroeder Piano Company.

Mr. G. W. Day, the genial manager of the store has been in charge ever since the opening in Charleroi and his courteous manner is largely responsible for the wonderful growth. t1-*

PROBABLY FATAL SHOOTING TAKES PLACE AT DONORA

Police Force and Councilmen Lead Lively Chase In Hunt for Men

THREE ITALIANS ARE CAPTURED

After an exciting five-mile chase in which the burgess, councilmen and members of the police force participated, three Italians, who are alleged to have shot and it is believed fatally wounded Bruno Serge, aged 32 years, at the corner of McKean avenue and First street, Donora, at 7 o'clock last night were captured and are being held in the Donora police station for a hearing.

Serge was rushed to the Memorial hospital at Monongahela and his condition is said to be critical. The bullet struck him in the left shoulder, glanced downward through his left lung and lodged it is believed near the heart. He is not expected to live.

One of the Italians refused to give his name. The others said their names were Mommick Consolo and Louis Carmen. Two revolvers were found on them and another picked up at the scene of the shooting.

McKean avenue and First street is one of the principal corners of the borough. About 7 o'clock the shooting started and Serge fell. Burgess H. A. Cox, Chief of Police Smedley, four councilmen and members of the police force started in pursuit. The chase led out the brick road toward Charleroi, the fugitives finally being captured.

Consolo, when arrested, claimed Serge had tried to extort money from him by threat and that the shooting was in self defense.

Serge is 32 years old and married, his wife residing in Sicily.

TO HAVE CHARGE OF FAR EASTERN HOSPITAL

Dr. O. G. Taylor, a son of Dr. J. P. Taylor of Belle Vernon, who has been a practicing physician in India for four years, and who with his family returned to this country some time ago, expects to leave with his family within the next few days for the Philippine Islands where he will have charge of a hospital. His term of service will be at least a five-year period.

RELICS FOUND IN HOMESTEAD

J. J. Brenton, of East Pike Run township, aged 84 years, is living in a house which belonged to members of the family since 1789, the fifth generation now occupying the property. The house, erected about 160 years ago, is built of logs and is the first house west of the Allegheny mountains which was placed under a shingle roof. Years ago there was a store room in the house, articles for sale being brought over the mountains by means of a packhorse. The original property consisted of seven rooms, two rooms having been added later.

In the old house have been found many interesting relics of bygone days. Silver buckles used for ornamentation, knee breeches that were in use in Revolutionary days, old time spinning wheels that were used when clothes were home made, reels and much old time machinery for the making of cloth and yarn are among the antiques which Mr. Brenton prizes highly. All are in a good state of preservation.

ENGINEER HELD RESPONSIBLE FOR DEATH

An inquest by Coroner S. H. Baum, of Fayette county, was held in Brownsville last Friday to inquire into the death of Earl V. Kaufman who was killed instantly on the Dunlaps branch of the Monongahela railroad, Friday, September 5, when two trains collided.

The verdict was to the effect that Kaufman's death was due to the negligence of Engineer William Hess and the careless reading of his orders. He was released on his own recognizance to await the action of the Fayette county grand jury.

Collision at Donora

On McKean avenue in Donora Sunday night John Scovinski, who is said to have been riding an Indian motorcycle at the rate of 50 miles an hour, collided with Leo McCummins who was driving an Overland car. The motorcycle hit the front end of the car. Mr. Scovinski was thrown from his machine and badly bruised and his clothes torn. He was taken to the Memorial hospital at Monongahela. The occupants of the automobile were not injured.

JOINT HIGH SCHOOL IS BEING PLANNED

From present indications it begins to look like Belle Vernon is again to have a high school. Owing to the crowded conditions of the school last year it was necessary to abandon the high school and send the pupils to Monessen or other outside schools. For several years an effort has been made to have a joint high school between Belle Vernon and North Belle Vernon. Each time the project has fallen through. However, last week a meeting of the directors of both school boards was held and from the progress of the meeting it looks as though something will be accomplished. At the meeting the movement for a joint high school was endorsed unanimously and a committee was appointed to confer with Rostraver and Washington townships with a view of having them enter into the arrangement. If this policy is pursued it will assure all those interested in a first class high school.

A LESSON FROM LIFE.

The life story of John Mitchell, labor leader, and public official, who died in New York a short time ago, gives the lie to all the foolish talk we hear about the lack of opportunities for men to rise to high place in America today.

Here was a man who began with what gross materialists like to call "nothing." They mean by this that the individual at the moment under discussion was not born with a gold spoon in his mouth. Actually John Mitchell was splendidly endowed. He lacked money, but he had what money can't buy, which is brains. He had no fine linen in his cradle, but he had a vigorous constitution inside of him. He was not able to spend much time in school, but he was able to wring an education from the world. He was not entered in the who's who of infancy, but he was supplied by his parents with a strong will, perseverance and enterprise.

With this equipment John Mitchell went out and conquered fortune. He made himself head of the anthracite miners' union, an authority on coal mining affairs, a leader in a great social movement. He fought hard and won victories. He compelled respect by deserving it.

Naturally he came to public office, fortunately for him in the field for which his training especially fitted him. He served his country in peace and he did double service in war. He gained the esteem of all, friends and opponents, and he died with the respect of the community.

This was a boy who began with "nothing", and finished his career in a situation a good many "more fortunate" in their birth envy and ought to envy.

If the miners gain their points for a shorter day and increased wages, it will naturally add to the cost of living, high as it is at the present time. The operators will naturally pass all increase on the consumer, and whatever the price he will have to pay. Coal is just as essential as food and clothing in this country, and any addition to its cost will naturally fall upon those who consume it. Whether the demands of the miners for a 6-hour day and increased wages will be pressed to a conclusion remains to be seen.

[illegible] that [illegible] expected [illegible] Belgium [illegible]

[illegible] [illegible] [illegible] [illegible] [illegible] precedent for trying him. We suppose the first prize will [illegible] for the use of a grave breach of the law. Yet we should [illegible] to refer other similar cases to its founding legal decisions upon a crime.

One of the items in a Presidential expense account is thirteen thousand dollars for entertaining Sir Eric Geddes and party. It was the Democratic national platform of 1912, we believe, which demanded "a return to that simplicity and economy befitting a democratic government".

While there may be a difference of opinion as to whether Edith Cavell was executed under the laws and customs of civilized warfare, there can be no doubt that George Gaston Quien who betrayed her to the Germans, will die a deserved death.

The outward movement of gold, say experts, will help reduce the cost of living. We havn't seen any gold in a long time, but the outward movement of silver and greenbacks from our pockets doesn't seem to bring any such happy result.

Troop No. 1 Charleroi Boy Scouts opened their football season Saturday with an easy victory over the Roscoe team. The final score was 48-0. The Scouts will play at Roscoe September 27.

DIZZY--WRECKED HIS AUTOMOBILE

"Two years ago my stomach trouble got so bad that I was almost constantly filled with gas. This made me very dizzy at times. Last Fall I was almost overcome by one of these dizzy spells while driving my car, and ran it into a telephone pole, badly wrecking the car. A friend recommended Mayr's Wonderful Remedy for my trouble. Since taking the first dose I have steadily improved, and feel better now than ever in my life." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

At druggists everywhere.

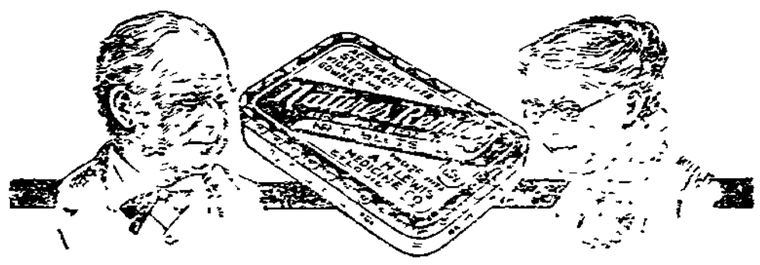
ROOMS IN THE CLASSIFIED COLUMN OF THE CHARLEROI MAIL ADVERTISE YOUR FURNISHED



Their Medicine Chest For 20 Years

IT is characteristic of folks after they pass the allotted "three score years and ten," to look back over the days that are gone and thoughtfully live them over.

I find myself, at seventy-one, frequently drifting back to the early part of the century, when I was located in the little village of Orford, N. H., mixing and selling a vegetable compound to my friends and customers—what was then known only as Dr. Lewis' Perfection for Stomach, Liver and Bowel Complaints.

For many years while I was perfecting my formula I studied and investigated the laxatives and cathartics on the market and became convinced that their main fault was not that they did not act on the bowels, but that their action was too violent and drastic, and upset the system of the user, which was due to the fact that they were not thorough enough in their action, some simply acting on the upper or small intestines, while others would act only on the lower or large intestines, and that they almost invariably produced a habit requiring augmented doses.

I believed that a preparation to produce the best effect must first tone the liver, then act on the stomach and entire alimentary system. If this was accomplished, the medicine would produce a mild, but thorough elimination of the waste without the usual sickening sensations, and make the user feel better at once.

After experimenting with hundreds of different compounds, I at last perfected the formula that is now known as **Nature's Remedy**, which I truly believe goes further than any laxative on the market today. The thousands of letters from those who have used it, and the use of **Nature's Remedy** as a family medicine even though heirs have used it for twenty-five years, never has to increase the dose.

My knowledge of medicine and the results of its use in my own family and among my friends, before I ever offered it for sale, convinced me to have great faith in **Nature's Remedy** from the very first.

And now as I find myself nearing the age when I must bow to the inevitable and go to another life, my greatest pleasure is to each day and read the letters that each mail brings from people as old or older than I, who tell of having used **Nature's Remedy** for ten fifteen and twenty years, and how they and their children and grandchildren have been benefitted by it.

It is a consoling thought, my friends, for a man at my age to feel that aside from his own success, one has done something for his fellow man. My greatest satisfaction, my greatest happiness today, is the knowledge that too-day more than one million people will take a **Nature's Remedy** (NR Tablet) and will be better, healthier, happier people for it. I hope you will be one of them.

Figures that Demonstrate the Will of Pittsburg Truck Owners

To every purchaser of a new Denby truck, the MacDougal Motor Company, Pittsburg distributors, address this question: "What tire equipment do you desire specified?"

In 99 cases out of 100 the answer is, "Goodrich De Luxe Truck Tires."

And preserving Denby traditions of truck service, the Mac Dougal Motor Company specifies 100 per cent Goodrich.

De Luxe Tires seem specially built for the grades of Pittsburg. Deeper and more durable in tread, having a greater limit of compression, no splice to break open under pressure, De Luze Tires keep pace better with the equipment of Pittsburg.

Increase the usefulness of your truck with De Luxe Tires which we sell and apply.

WAS IN DANGER OF SERIOUS ILLNESS

James Duffy of Pittsburg Tells How Ten-Herbs Relieved Him

"Little do we realize to what extent a seemingly slight illness might lead if neglected," said the Ten-Herbs man.

Take the case of Mr. James Duffy of No. 747 Reesdale street, Pittsburg, Pa., a boiler-maker by trade, and a well-known member of that city, having been a police officer in the First Ward for a number of years. He states:

"For a number of years I have had catarrh of the stomach and was in constant pain and shortness of breath, acidity of the stomach, headaches, dizzy spells, and severe pains around my heart, caused by gas in my system. I was always constipated, my liver was torpid and sluggish; I could never sleep at night and at times I could scarcely get my breath. I had taken a good many different medicines without any relief until I heard of Ten-Herbs and started to take it. Now I am glad to say I have no more indigestion—have a good appetite, sleep fine and am not constipated. I feel that by taking Ten-Herbs in time I avoided a serious illness, as I was gradually getting worse all the time I can't praise Ten-Herbs enough.

Ten-Herbs, the new herbal stomach, liver and kidney remedy is perhaps doing more to relieve ills of this nature than any other preparation. It is the logical remedy to take, because being made of herbs, roots and berries, it is pure and harmless, and may be taken by old and young. Coming from mother earth, it is nature's own remedy—the kind our forefathers used to take.

Ten-Herbs is sold in Charleroi at Henning's Drug Store.

Camel Cigarettes

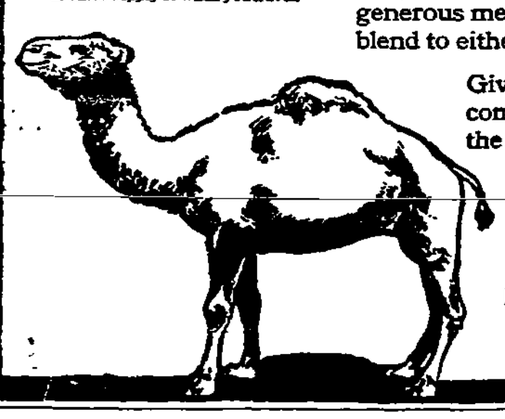
They Win You On Quality!

Your enjoyment of Camels will be very great because their refreshing flavor and fragrance and mellowness is so enticingly different. You never tasted such a cigarette! Bite is eliminated and there is a cheerful absence of any unpleasant cigaretty after-taste or any unpleasant cigaretty odor!

Camels are made of an expert blend of choice Turkish and choice Domestic tobaccos and are smooth and mild, but have that desirable full-body and certainly hand out satisfaction in generous measure. You will prefer this Camel blend to either kind of tobacco smoked straight!

18 cents a package

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes; or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.



Give Camels the stiffest tryout, then compare them with any cigarette in the world at any price for quality, flavor, satisfaction. *No matter how liberally you smoke Camels they will not tire your taste!*

The Kurtzmann Player Piano Plays Like a Concert Artist

The full, beautiful tone of the Kurtzmann, to which has been added a player mechanism that is almost human in its possibilities for expression control. Its music is precisely the same as the hand-playing of a fine pianist; there is not a trace of anything mechanical. And so strongly is it built that it should easily descend to your children's children in good condition. Playable by hand, of course, the same as a regular Piano. Worth every cent of $900. Price **$750**

Other Kurtzmann Players $750 to $1,200
